******WE ARE ANTICIPATING A COUNTYWIDE BURN BAN,
SO PLEASE BRING ALTERNATIVE COOKING SOURCES******

Feel free to copy this flyer and distribute to others

DRIVING DIRECTIONS

FROM I-5 NORTH OR SOUTH

Take exit 230 (Burlington/Anacortes Exit). Follow signs to Whidbey Island. Once on Whidbey Island you will continue south on SR 20 for approx. 25 miles. Proceed through the only stoplight on SR 20 in Coupeville. Drive 3 miles south, turn right on Safari Rd. (*between mile marker 20 & 19*) **Signs will be posted!!**

FROM THE CLINTON/MULKITEO FERRY

Once you have departed the ferry onto Whidbey Island you will be on SR 525, proceed north approx. 24 miles, SR 525 will turn into SR 20, continue north on SR 20 another 3.5 miles, turn left on Safari Rd. (*between mile marker 19 & 20*) **Signs will be posted!!**

OPEN FIRE REGULATIONS

Historically, during the month of August, a countywide “**BURN BAN**” is in affect, which means that only charcoal, white gas or propane can be used. But, if the level of the “**BURN BAN**” is moderate, restricted open fires are permitted provided that the below guidelines are followed.

1. In ground pits **must be** used! The pits will be a **minimum** of 16” deep.
2. The pits **must be** lined with cement block, stones or #10 gauge steel. (An old washing machine tub is the correct depth and width)
3. The pit can be **no larger** than 3 feet across.
4. The ground around the pit **must be** free of vegetation for a minimum of 12”.
5. Materials being burned **must be** kept lower than the sidewalls of the enclosure.
6. **At least** 2 five-gallon buckets of water **must be** on site.
7. A shovel or rake **must be** on site.
8. The fire **must be** 25 feet from any structure or standing timber. (This does not include tipis, wall tents, lean-tos, etc.)
9. One-person age 16 or older that is capable of putting the fire out **must be** in attendance at all times.
10. **It is only legal to burn natural vegetation or firewood**—not even paper is allowed (except for the amount necessary to start a fire).
11. **No lumber** or building/demolition debris/material can legally be burned.
12. **Do not** burn when winds exceed 7-10 mph.
13. **Do not** burn during periods of air stagnation.

In short, be prepared for a “**BURN BAN**” during our rendezvous. CWSA wants to make our rendezvous enjoyable and safe for everyone. We all know that “**BURN BANS**” can be a nuisance, but with some preplanning and favorable weather conditions we can all enjoy this event. Please call or e-mail the Bourgeois or Segundo for current “**BURN BAN**” information prior to arrival on Whidbey Island.
